

**2014/2015 UNDERGRADUATES ADMISSIONS INTO FULL TIME DEGREE PROGRAMMES**

Evangelical Church Winning All (ECWA) owns Bingham University. Its founding fathers were visionaries of ECWA extraction who looked back to the golden age of Christian Mission Education in Nigeria, which was noted for its moral and spiritual contents, high quality, purposefulness, service orientedness, and very much cherished by all. In recent years, Nigerians have called for such education that combines secular and moral spiritual values, even within the context of modern technological advancement.

Bingham University was established to meet these ideals. Our curricula are of high academic standard and entrepreneurial in nature to prepare our graduates for a self reliant and God-fearing life in a developing economy.
