Welcome to Bingham University

After validating your pin, click on course registration

Click on Add/Remove button to view the courses made available to you by the HOD.

Select the core and elective courses you wish to register then click on the register button at the bottom of the page.

## Note

If the course form shows incomplete or invalid registration you need to go through the registration process again and do not register more than the maximum credit unit i.e 24 units for 100 level students.
