INTRODUCTION

In a bid to contribute its quota to the Nigerian University space fueled by the ruins of public universities in the Nation, Bingham University was founded in 2005 by the Evangelical Church Winning All (ECWA).

Prof. William Barnabas Qurix, OFR

The founders had as a goal, the revitalization of the golden age of high quality and morally sound mission education up to the tertiary level. ECWA leaders and academics of ECWA extraction saw the need to establish a university that will provide a secular education anchored on sound moral values as provided for by the Christian faith. Recognizing the importance of the technological revolution of the 19th and 20th centuries, Bingham University is determined to build a technology-driven institution of the 21st century.

The university, since its establishment has continued to grow steadily with a current student population of over 6000.

The university has so far successfully graduated over 5000 students who are making strides in the Nigerian labour market and the world at large.

Bingham University has had four (4) Vice-Chancellors since inception. The Pioneer Vice Chancellor was Professor Aaron Gana of blessed memory from 2005 to 2006. He was succeeded by Professor Felix I. Anjorin also of blessed memory, from 2007 to 2013. The third Vice Chancellor was Professor Leonard Kursim Fwa from 2013 to 2017, while the fourth Vice Chancellor is Professor William Barnabas Qurix, OFR 2018 onward.

MOTTO

Mission for Service. (Mark 10:45). The motto emphasizes the type of knowledge and skills, the university impact on its students. The ultimate goal is to produce graduates who would see themselves as a task force out to serve the society.

VISION

To become a world class university in knowledge and skills, while inculcating moral and spiritual values.

MISSION

To produce graduates that are excellent in knowledge, character and skills for self-reliance and in the fear of Christ.

GOALS

To provide an all-round education to all strata of men and women (in an affordable manner).

To provide a sound entrepreneurial education for innovation and creativity to all students of Bingham University.

To acquire competence in teaching and learning through the use of modern technology.

To cultivate highly motivated God-fearing staff.

THE CORE VALUES

1. Christ Centeredness

The University is committed towards inculcating the principles and person of Jesus Christ to every staff and student so that they can be worthy ambassadors of Jesus Christ.

2. Academic Freedom

The university is committed to freedom of intellectual thought and enquiry, and to the open exchange of ideas and evidence that do not negate the basic tenets of Christianity. It will strive to protect and preserve this freedom for staff and students.

3. Excellence

The University will strive for excellence in all of its activities, judged against the highest international standards.

4. Intellectual Integrity

At Bingham University the scholarly values of curiosity, critical appraisal, experimentation and creativity in both theoretical and practical areas of activities are encouraged.

5. Ethical Standards

In social, moral academic and business matters, the university fosters and demands openness, honesty, fairness, responsibility and tolerance.

6. Adaptability and Innovation

The University provides the opportunity for exploring and appraising new possibilities and appropriate constant responsiveness to a changing environment.

7. Evaluation

Regular self-evaluation and review of activities and processes are seriously conducted as means of quality assurance.

8. People-Orientedness

The university sees people as its greatest asset and sets to ensure that each individual member of its community attain his or her full potentials to the glory of God.

ACADEMIC PRINCIPLES AT BINGHAM UNIVERSITY

Students are encouraged and facilitated to develop the abilities and desire to;

1. Master the subject matter, concepts and techniques in their chosen discipline at internationally recognized levels and standards.
2. Think logically and creatively.
3. Undertake problem identification, analysis and solution.
4. Question accepted wisdom and be open to new ideas and possibilities.
5. Acquire a mature Christian outlook, judgment and responsibility in ethical, moral, social business practical and academic matters.
6. Acquire the skills required to continue learning throughout life.
7. Learn from a variety of sources and experience.
8. Adopt acquired knowledge to new situations, including developing the skills for self-employment and self-reliance.
9. Acquire the skills needed to embrace new and or rapidly changing technologies in a global environment.
10. Communicate clearly, concisely and logically.

11. Work independently and as a team.
12. Acquire cross-cultural and other competences for citizenship and leadership role in the local, national and international community.

AIMS AND OBJECTIVES OF THE UNIVERSITY

1. To provide a God-centered education that puts service above material acquisition.
2. To encourage the advancement of learning and hold out to all persons without distinction of race, creed, sex or political conviction, the opportunity of acquiring quality university education.
3. To anchor Nigeria's development and character formation on biblical principles, as well as its economic and technological growth the philosophy and object of Bingham University.
4. To relate the activities of Bingham University to contemporary spiritual, socio-economic and political needs of Nigeria.

UNDERGRADUATE ADMISSION REQUIREMENTS

Bingham University admits once a year through the Joint Admission and Matriculation Board (JAMB). The minimum qualification for a Degree programme is five (5) relevant o/level credits including Mathematics and English at not more than two (2) sittings.

Candidates who did not select Bingham University as one of their choices in the UTME are also eligible to apply but must change their choice of institution to Bingham University through JAMB. The University reserves the final decision on matters of entrance, retention, and withdrawal.

PART-TIME DEGREE PROGRAMMES

Bingham University also offers Part-Time degree programmes in the following areas:

B.Sc. Accounting	=	N300,000
B.Sc. Business Administration	=	N250,000
B.Sc. Economics	=	N200,000
B.A. English & Literary Studies	=	N200,000
B.Sc. Mass Communication	=	N250,000
B.Sc. Political Science	=	N200,000
B.Sc. Sociology	=	N200,000
B.Sc. Computer Science	=	N300,000

APPLICATION REQUIREMENTS:

Applicants seeking admission into the specified Part-Time programmes of Bingham University must possess any of the following requirements:

1. A minimum of five credit passes including English and Mathematics obtained at not more than two (2) sittings in the relevant subjects from any recognized examination bodies such as: SSCE/WASC, GCE 'O'Level, NECO, NABTEB or TC II.
2. Two “A” Level passes with a minimum of five 'O'level credit passes in relevant subjects.
3. Applicants must satisfy the entry requirements of the Bingham University.

SCHOOL OF POSTGRADUATE STUDIES

The School of Postgraduate Studies currently offers a total of twenty eight (28) programmes in five (5) faculties.

FACULTY OF CLINICAL SCIENCES

Master of Public Health (MPH)

M.Sc. Public Health

FACULTY OF SCIENCE AND TECHNOLOGY

Department of Biochemistry

M.Sc. Nutrition and Dietetics

M.Sc. Biochemistry

Ph.D. Biochemistry

Department of Chemical Sciences

M.Sc. Environmental Chemistry

Ph.D. Environmental Chemistry

Department of Computer Science

PGD, Computer Science

Master of Cyber Security and Digital Forensics

FACULTY OF ADMINISTRATION

Department of Accounting

PGD, Accounting
M.Sc. Accounting
Ph.D. Accounting

Department of Business Administration

Master of Legislative Studies

Department of Mass communication

PGD, Digital Media Communication
M.Sc. Mass Communication
Ph.D. Mass Communication

FACULTY OF ARTS

M. A. English and Literary Studies
Ph.D. English and Literary Studies

POSTGRADUATE ENTRY REQUIREMENTS

- I. Must have completed their National Youth Service Corps (NYSC) programme, or possess certificate of Exemption in lieu;

- ii. Must submit three (3) Referee Reports, attesting to the intellectual capacity, aptitude, and independent research skills of the candidate;
- iii. Candidates are to request their university to forward relevant Academic Transcripts, directly addressed to the Secretary, School of Postgraduate Studies.
- iv. Candidates for Professional Master Degree must possess a minimum of Second Class Lower degree from a recognized university.
- v. Candidates for Master of Science (M.Sc.) and Master of Arts (M.A) programmes, with first degree from Bingham University and other recognized universities must possess a minimum of Second Class Lower in the relevant field.
- vi. Candidates with Master Degree from Bingham University and other recognized universities must have minimum of 3.00 or its equivalent in their final Master Degree examination to qualify for admission into the Doctor of Philosophy programme.
Please note that all Postgraduate courses are full time. Postgraduate students are also expected to make arrangements for their accommodation as the University at present has no provision for Postgraduate residence.

DURATION OF PROGRAMME

Postgraduate Diploma programmes (Course work/project report)

Full-time

Minimum duration: two (2) semesters
Maximum duration: four (4) semesters

Master's degree programmes (Course work/project report/dissertation)

Full-time

Minimum duration: four (4) semesters

Maximum duration: six (6) semesters

Doctor of Philosophy Degree (Course work/project report/dissertation)

Full—time

Minimum duration: six (6) semesters

Maximum duration: ten (10) semesters

MODES OF STUDY

Postgraduate Diploma

A study for the postgraduate diploma shall be pursued by course work to be examined in written papers together with research work to be presented in a project report. The course units assigned to the project shall not exceed one-third of the total credit units for the programme.

Master's Degree

A study for the Master's degree shall be pursued either by:

Comprehensive course work to be examined in written papers together with original research work to be presented in a project report. The credit units assigned to the project report shall not exceed one-third of the total credit units for the programme; or course work to be examined in written papers together with original research work to be presented in dissertation. The credit units assigned to the dissertation shall neither be less than half nor greater than two-third of the total credit units for the programme.

Doctor of Philosophy Degree

The Ph.D. is a programme of independent, self-

directed academic research, supported by a team of supervisors, that makes an original contribution to knowledge written up in a thesis. The Ph.D. programme also supports the development of research and generic skills to equip you to operate successfully as a professional researcher in any setting. It is intended primarily for mid-career researcher-active academics who, for one reason or another, haven't had the opportunity to undertake a research programme leading to a Ph.D. Submissions for this award will consist of a coherent body of quality work, rigour and volume as require and which constitutes an original contribution to knowledge.

|------------------------|-----------|

- | | |
|---------------------|-----------|
| (2) Pre-Degree Arts | =N190,000 |
| (3) IJMB Science. | =N270,000 |
| (4) IJMB Arts | =N250,000 |

AVAILABLE SCHOLARSHIPS

In its quest to improve access to education, the Board of Trustees has approved the following scholarships schemes:

40% for Indigent students

40% rebate for children of ECWA Executive members while in office

30% discount for children of ECWA Pastors to a maximum of 4 children

30% BOT and Council members' children

22% discount for all ECWA students

20% discount for staff members studying in Bingham University

15% discount for staff children

COLLABORATIONS

The university has signed an MoU for collaboration with Sumy State University, Ukraine, in the areas of academic mobility and academic staff exchange and is also in collaboration with the University of Wolverhampton, United Kingdom as well as the Liverpool School of Tropical Medicine (LSTM), also in the United Kingdom amongst others.

ZANKLI RESEARCH CENTRE, BINGHAM UNIVERSITY

Zankli Centre is a world class research Centre involved in Tuberculosis research. The research Centre provides clinical diagnostic testing for patients suspected to have Tuberculosis and Bacteremia, including typhoid fever. The Centre is actively involved in TB and HIV Research. The Center also avails its laboratory to postgraduate students for research.

HEALTH CENTRE

The University runs a Medical Centre, which provides a 24 hour service to staff and students. The Centre is also open to patients from the neighboring communities and beyond.

INFORMATION AND COMMUNICATION TECHNOLOGY (ICT) CENTRE

Information and Communication Technology (ICT) Centre was carved out of Computer Science department in 2014. The Centre has rapidly risen to become the hub of student activities on campus, attending to critical issues like; website update and maintenance, CBT administration, students results management, student admission and registration portal management, PG portal management, staff and student database, etc.

The Centre also partners with 3rd party organizations in relating with the public; JAMB, CISCO, Digital Bridge institute, etc. are few of her partners.

The primary goal of the Centre is to harmonize all activities on campus using ICT.

CONSULTANCY UNIT

Bingham University Consultancy Services Unit was established to provide a wide range of expert and professional services in human resource development to private/public sector and international organizations, through collaborations, seminars, workshop and partnerships.

CHAPLAINCY UNIT

Being a Christian faith based university, Bingham University runs a Chaplaincy Unit where spiritual matters concerning staff and students are taken care of. The unit drives the core values of what the university stands for.

Bingham University operates in a serene environment, situated at Km 26, Abuja-Keffi Expressway, Kodape, Karu, Nasarawa State. Other facilities in the university include: Shopping Complex, Cafeteria, Students Hostel, and Lecture halls among others.

All information in this pamphlet was correct at the time of print. Bingham University reserves the right to amend any information therein.
